

## WALKER

MEDIUM POST TOP OR PIER MOUNT LANTERN

## 2101BK

Walker has roots in the American West with its large scale, strong angular lines and no-nonsense style. The sturdy aluminum and brass construction features a two-tone finish, adding a transitional flair to its minimalist shape. A welded outer form frames an inner clear, bound glass shade. At home on the range, in a mountain cabin or creating a midcentury statement, this flexible style complements many façades.
