DEFIES THE HARSHTEST ENVIRONMENTS IN STYLE

DECK + PATIO LIGHTING

Deck, porch, and landscape lighting can be used in many and varied combinations. These fixtures are specifically designed to provide subtle and elegant lighting when needed in your environment.

CREATING THE EFFECT - A surface-mounted deck sconce is placed on the wall above each step to generate a safe pathway to the deck. A landscape fixture under the bench, coupled with deck sconces mounted to the corner posts, creates a soft glow.
